

### **The School will:**

- Stagger the start/end of the school day.
- Maintain recommended ratios in class.
- Discourage parents from gathering at the school gates.
- Set out 2-metre markers on the playground for families to socially distance themselves.
- Set clear details of moving around the school safely.
- Close the school building to everyone apart from staff and children, unless a pertinent visit.
- Set clear expectations for children about sneezing, coughing, tissues and disposal and avoiding touching of the mouth, nose and eyes with hands.
- Make soap and water / hand sanitiser available to children and staff.
- Ensure everyone is washing their hands with soap and water for at least 20 seconds across the school day.
- Have a room for isolated pupils to wait in until they are collected.
- Keep pupils at their desks for much of the school day.
- Cancel whole school assemblies and events where children would have to gather together.
- Stagger playtimes and lunchtimes to reduce the contact children have with each other.
- Keep windows open and prop doors open wherever possible to increase airflow.
- Maintain increased cleaning routines.
- Inform parents if there has been a confirmed case of Covid-19 in school.

### **The Family will:**

- Share and explain expectations and rules set by the school with our child/children.
- Explain to our child/children that they will need to stay away from others in school where possible.
- Take daily temperature checks of pupils.
- Strictly follow altered routines for arrival and departure.
- Only have one parent on the school premises at a time. Ideally, without other children who do not attend this school.
- Instruct our children to regularly wash their hands and follow the school's instructions on hygiene as set in the behaviour policy.
- Aim for our children/child to come to school in freshly laundered school uniform each day and take a shower or bath on returning home.
- Keep phones switched on and be available to collect my child/children if requested by the school.
- Keep our child/children at home for 10 days if they show any symptoms of the Coronavirus or until a negative test result is obtained.
- Keep our child/children at home for 14 days if a member of the household shows symptoms of Coronavirus or until a negative test result is obtained.
- Do not visit the school office. Please telephone or email to make enquiries.
- Stay as short a time as possible on the school premises and socially distance from other families.
- Maintain social distancing outside of school as per government guidelines.

### **The Pupil will:**

- Follow the instructions of members of staff to maintain a safe environment.
- Stay away from other pupils in classrooms and in the playground. Aim to "minimise contact between individuals. Maintain social distance, where possible, from others in the classroom and outside"
- Stay in my seat, where appropriate, when in the classroom.
- Have my own equipment in class and not share it with others.
- Frequently wash my hands with soap and water for at least 20 seconds as I enter school, before I eat, if I sneeze or cough and in breaktime and lunchtime.
- Follow expectations about sneezing, coughing, tissues and disposal ('catch it, bin it, kill it') and avoiding touching of the mouth, nose and eyes with hands.
- Tell an adult if I am experiencing symptoms of coronavirus.
- Behave well in school in line with behaviour policy and the signed Covid behaviour code
- Maintain social distancing outside of school as per government guidelines.

Our vision is to provide our children with:

- ✿ A challenging, creative curriculum aimed to inspire everyone to reach their full potential
- ✿ In partnership with parents, educational and emotional support promoting self-esteem, self-worth and emotional wellbeing
- ✿ An inclusive, happy and safe environment where children learn to work independently and collaboratively
- ✿ An environment of respect in order to develop integrity, tolerance and trust to enable them to respond positively to the challenges and responsibilities of a rapidly changing world
- ✿ Encouragement of healthy lifelong behaviours through physical activity, awareness of healthy eating and mental wellbeing
- ✿ A positive attitude to and resilience in their learning, through a variety of stimulating and enriching experiences
- ✿ Opportunities to develop their awareness of and involvement with the wider community, and the diverse world we live in
