

FUNDRAISING UPDATE

Our fundraising focus for this year is to improve the schools IT capability. Currently, a small number of iPads and laptops are shared between the whole school limiting when classes can have access to them. We would like to purchase 30 iPads this year with a supporting charging caddy to enable more classes to have access to IT during lessons at the same time.

Thank you so much - with your contributions so far this year we currently have enough money to buy an additional 12 iPads.

Please keep supporting the Friends of Clavering to help us reach our goal.

NEW OUTDOOR SPACE

Thanks to money raised a few years ago by a sponsored bike ride, a new outside space is being created to provide additional classroom/play space. **Watch this space for more information.**

WAYS TO RAISE MONEY!!!

MONTHLY DONATIONS...Thanks so much to those families who have pledged to support the school with a regular donation – all the money raised will go towards the current fundraising projects.

If you would like to support the school with a regular or one off payment please use the following link.

(Please Email us if you set this up so we can check we are receiving it)
