

Dear Parents

At the end of last year our on-line fundraising provider - Virgin Money Giving ceased trading and we have been forced to find an alternative.

We now have a new on-line fundraising provider **JustGiving™** which we will be using to support as many of the fundraising activities as we can. Where possible web links to campaigns will be included in parent mails and posters supporting a planned event.

To those families who previously made monthly donations to our old on-line fundraising page, THANK YOU so much! This regular top up to our fundraising efforts makes a huge difference in helping us raise much needed money to support the school.

We would love it if anyone would like to continue to provide this support, please use the new link below and hit "Donate" to set up a new regular donation.

Thank you for your ongoing support,

The Friends of Clavering School
