Administrators: Mrs J. Snelling  
Mrs V. Prentice  
Mrs J. Barker  
Mrs L. Warren

Dear Parents

1.4.22

As the Winter Term at Clavering Primary School draws to an end, we should perhaps reflect on the successes and challenges the school has faced over the last few months. Covid has continued to be an ever-present factor and whilst, in many ways we have avoided the worst ravages of this dreadful virus, there have been points when managing the numbers of new cases has called on all the ingenuity of teachers, school staff and parents alike. On that subject I would like to give my personal thanks to parents who, despite what at times have seemed to be draconian measures, have supported the school to ensure the worst outcomes were avoided. Thank You.

It is not all bad news though and the school have made considerable efforts and enjoyed much success in ensuring that the education of the children has not been affected by the impact that the pandemic has had on the children. Levels of achievement among the children is good and continues to rise and the children seem to be enjoying their time at the school which can only reflect well on their education. We all know that learning and enjoying reading is the key to success in every subject and success in future life and that endeavour is progressing well across the whole cohort of children at the school.

As we look forward to the summer term, we are faced with further challenges including the prospect of an Ofsted Inspection but I can assure parents that both teachers and Governors are ready for that challenge, whatever it may bring.

In the meantime, I hope that the children enjoy the Easter Break and return for the Summer Term fully refreshed and ready for all that will come.

Ray Gooding

Chair of Governors
