

CLASS 5

Year 5 are continuing to enjoy their cricket coaching, learning to bat, bowl and field; we think our fitness challenge squats are paying off for our wicket keeper stances!

We are learning about biomes in topic and the children have written some fantastic, detailed non-chronological reports on their chosen biome and are now designing and weaving a representation of a biome, choosing their colours and shapes carefully whilst learning new weaving skills.

We loved taking part in sports day and those who represented the school for the Commonwealth Games athletics activity did the school proud with their attitude and their performances.

Some of the class worked with Mrs Rudkin and some Year 6s to produce prop designs ready for the Year 6 leaver's play – they did a great job, we hope you'll agree when you see them

CLASS 6

Class 6 have had four afternoons at Forest School this term. We have been climbing trees, making dens and balancing on the low ropes. On the last session we had a fire in the log circle and toasted marshmallows! Every session has been led by Mrs Thomas – a big thank you from all of Year 6 to her and all the parent helpers over the years that we have been helping at Snail Wood.

Everyone had great fun at Monday's Sports Day. The Sports Ambassadors were very helpful setting up equipment for races while the House Captains and Deputies made sure everybody was in the right race at the right time. Year 6 also ran three races, sprint, obstacle race and mixed relay. Well done Year 6 you were great!

On Wednesday 29th June some of Year 6 represented Clavering along with other members of KS2 at Uttlesford's Commonwealth Athletics tournament. There were lots of Saffron Walden schools there competing in different track and field events. Though Clavering was not placed in the top three, everyone tried their best and had a fun morning of athletics! Thank you to all the parent helpers and a big well done to all the children who competed!
