

## CLASS 6

All 3 groups in Year 6 have now finished Bikeability where they were taught how to ride their bikes on public roads safely. Everyone who completed the 2 day course were given a badge and a certificate with advice from the instructors on how to further improve their cycling skills. Well done everyone!

On Thursday mornings, KS2 have been learning to play Brass instruments with Mr Malam from the Essex Music Service. Over the 10 weeks of lessons, Class 6 have learnt how to play F,E,C,D on the trumpet, trombone or euphonium. The class were all very enthusiastic to learn with Mr Malam and found the lessons great fun and are grateful that they had had the opportunity to learn these instruments.

## CLASS 6 CONTINUED, , ,

We have completed our art project on Georgia O'Keeffe. We have copied her style and tried different materials: pastels, watercolours and acrylics, for our poppy pictures. At the end of term, will be choosing our favourite picture to use for our 2023 calendar.

An exciting part of this term is the Christmas productions. Year 6 and KS2 have been learning lots of songs and dances for the Snow Queen. Year 6 have all risen to the challenge of learning lines and being in character. We are all really looking forward to performing to KS1 at our Dress Rehearsal and our parents on Wednesday and Thursday night. On Tuesday Year 6 had the privilege of watching Reception Class Dress rehearsal and were impressed by the singing and acting skills of their Buddies. Excellent work Reception we were very impressed by your performance!
