

# THE FRIDAY FOCUS

Issue 36

7th July 2023

The fortnightly Friday Focus is the chance for every class at Clavering to share their learning with the Clavering School community. This is a great opportunity to find out what each year group has been up to and engage in conversations around learning.

Tuesday 4th July was French Day for the whole school – even the younger children joined in, learning songs and simple games to practise their French. Year 6 had the challenge of naming as many French speaking countries as they could! Our first French Day was lots of fun – we look forward to doing it again in future.

Thank you to Mrs Rudkin who organised this special day and we were lucky to have a visit from the School Governor Mrs Betts who was able to see lots of French in action across the whole school. The kitchen got into the spirit of the day and prepared a delicious French inspired menu for the children—Thank you Mrs Coy and Miss O'Brien.
