

CLASS 3

Class Three had a fantastic French Day. We begun by researching an inspirational person from French history and created a biography about their life. We then learnt about French food (mainly how to pronounce the names!) and designed a balanced meal (linking to Science). In the afternoon, we look at work created by French artists including Cezanne and Monet. We used these ideas to sketch a portrait of a friend in one of their styles. We also really enjoyed playing some familiar games such as 'Simon Says' and 'What's the Time Mr Wolf?' with a French twist!

CLASS 4

Class 4 had a fantastic French Day and enjoyed learning how to order different food and drink from a French cafe. We learnt the vocabulary which we then put into a song. In our groups, we then made some menus for our cafe along with the prices. In the afternoon, we gave our orders in French to the waiters who served us some delicious French pastries including tarte au citron, pain au chocolat and eclairs au chocolat.
