

THE FRIDAY FOCUS

Issue 59

6th December 2024

The fortnightly Friday Focus is the chance for every class at Clavering to share their learning with the Clavering school community. This is a great opportunity to find out what each year group has been up to and engage in conversations around learning.

Christmas production rehearsals are in full swing across the school. All the staff and children look forward to welcoming the families to see the performances next week. See below for photos of the children preparing for their shows.
