Online Safety Acceptable Use Agreement Primary Pupils

Daar Parent/Carer,

The internet, email, mobile technologies and online resources have become an important part of learning and life. We want all children to be safe and responsible when using any IT. It is essential that children are aware of online risk, know how to stay safe and know where to go to report problems or to get help.

Please read through these online safety rules with your child/ren and talk with them to ensure they understand their importance and what it means for them (and for you). When you have done this, you both need to sign this agreement to say that you agree to follow the rules.

Please return the signed sections of this form which will be kept on record at the school.

Parent(s)/Carer(s) agreement

Parent(s)/Carer(s) name(s) _____

I/we have discussed this agreement, which highlights the associated risks when accessing the internet, mobile and digital technologies, with our child/ren. I/we agree to support them in following the terms of this agreement.

I/we also agree not to share school related information or images online or post material that may bring the school or any individual within it into disrepute.

(Rather than posting negative material online, any parent, distressed or concerned about an aspect of school should make immediate contact with a member of staff. Negative postings about the school would impact on the reputation of the whole school community. Parents are encouraged to report breaches so that we can protect the reputation of the school, staff, pupils and parents).

I/we also agree not to use personal mobile phones and devices in the school unless otherwise informed. I/we understand that under no circumstance should images be taken at any time on school premises of anyone other than our own child/ren, unless there is a pre-specified agreement. I/we understand that when on school premises, but not in a designated area where phones can be used, they must be switched off and out of sight.

I/we have agreed to use AI responsibly and not to enter confidential and / or personal information into AI systems. I/we have agreed to check AI content for accuracy and suitability, and to use AI in line the school's policies, safeguarding requirements and data protection legislation.
