Dear Parents

6.10.26

We are delighted to share with you our latest OFSTED report, which has just been released. We are extremely proud of our team and the school community, for all their hard work, and how they showcased our school so well during the inspection.

The new framework is made up of 7 areas – Early Years, Behaviour and Attendance, Inclusion, Personal Development and Well Being, Achievement, Curriculum and Teaching, Leadership and Governance. The inspection is very different to the previous model as now ALL the elements of each standard have to be met in order to be awarded the judgement.

We are very pleased that we not only attained the expected level across all the inspection areas, but we were also awarded the 'Strong' judgement in three of them.

Our main challenge was demonstrating the high standard of teaching and learning relationships that we usually have day to day, as we had only been in school for 5 days. Unfortunately, our recent strong external achievement data could not be included due to it not being past the official DFE release date.

This is a great achievement for the school and we are really pleased that the inspectors could see what an excellent provider Clavering Primary School is. The children were a credit to all of us and we are very proud of them.

Yours sincerely

Rosalind Allsop
Headteacher

Cllr Ray Gooding
Chair of Governors
